

MANASH PROTIM BORAH

FULL STACK DEVELOPER

Tinsukia, Assam | M.Protim@outlook.com | 9036929189

SUMMARY

Dynamic and detail-oriented Dot Net Developer with over 2 year of experience in software development and IT solutions. Proven expertise in designing, developing, and implementing scalable applications that drive operational efficiency. Proficient in C#, SQL, and various front-end technologies, with a strong commitment to quality and excellence in project execution. Adept at collaborating with cross-functional teams to deliver innovative solutions in fast-paced environments.

TECHNICAL SKILLS

Programming Languages: C#, HTML, CSS, JavaScript

Frameworks & Technologies: Dot NET, MVC, Bootstrap, Materials Design, API

Database Management: MS SQL Server

Version Control & Collaboration: Git

Networking: Understanding of networking concepts

PROFESSIONAL EXPERIENCE

Quick Innovative Solutions (Techway)

Feb 2023 - Present

- Developed and maintained robust applications using .NET framework, enhancing user experience and functionality.

Hindustan Unilever

Jan 2022 - Jan 2023

- Supported IT operations by troubleshooting technical issues and implementing solutions to enhance system functionality.

PROJECTS

Pokemon API & Harry Potter API

- Developed applications that fetch and display data from external APIs related to Pokemon and Harry Potter.
- Utilized skills in C#, HTML, CSS, and JavaScript to create responsive and user-friendly interfaces.

Powertools Application

- Designed an application to check safety guideline parameters, sending approval requests to higher-level authorities when necessary.
- Employed .NET and SQL to ensure robust functionality and data integrity.

Warehouse Management System

- Created a system for managing inventory and quality control processes in a production setting.
- Emphasized efficient data handling and reporting functionalities to optimize warehouse operations.

Vehicle InOut Management

- Developed an application for managing vehicle entries into the factory, including materials details and auditing processes.
- Enhanced operational accountability and tracking of materials within the facility.

EDUCATION

Bachelor of Engineering (CSE)

Visvesvaraya Technological University (VTU), Bengaluru

Graduated: 2020

Higher Secondary School Leaving Certificate (HSSLC)

Secondary Education Board of Assam (SEBA)

Graduated: 2016
